5. The nail bar page for Molina Valdez will now open for you in another tab (notice there are now 2 tabs open at the top). This Page will show the Stylist information at the top and the Nail Bar Party Host information in the middle of the page.

6. You will find that you are now on the "SOLID COLORS" page and can move down the page to see all the solid nails available. To choose another type of nails, you can either click "SHOP" or "CATALOG" and choose from the drop-down menu. You can always click the "SHOP" or "CATALOG" button and return to a new or a previously viewed page. (Both ways have been circled to help you find them.)

7. You will need to scroll down the page to see the nails ("Solid Colors" was chosen for this example), you will come to a page like the one below:

8. Click anywhere on the nail or description to choose the one you desire to purchase:

9. After clicking on the nail you desire you will find a page looking similar to the following (you may need to scroll down to see this information). Here you can adjust the amount you desire and "ADD TO CART":

10. Once added to the cart the page will be updated to something like the following, where you see the item has been added to your order:

11. Here you can scroll up and hit the "SHOP" or "RETURN TO CATALOG" Buttons and add additional nails. I went ahead and added 3 more sets of nails. Once your order is complete or anytime you want to check out your cart you can click on the "SHOPPING BAG" in the upper right corner.
